

(Please circle which equipment you will be leasing)

Fiber Router - \$9.95/month

DSL Modem - \$4.95/month

DSL Modem/Router Combo - \$9.95/month

VDSL Modem/Router Combo - \$9.95/month

### Maintenance Agreement:

Maintenance includes the monthly rental of a wireless router (\$150 value), Modem (\$25 value), or Modem/Router Combo(\$55-\$90 value) and all service calls related to that equipment (for one single address) as well as the Cat5 wire to connect the equipment. The technician will determine the most optimum placement of the access point for the best networking experience. If the equipment is returned to the office damaged or destroyed or NOT returned on disconnect, you will be billed the current value of that equipment on your final billing.
